Dear [REDACTED]

I am sorry that a hurricane hit Houston.

I am sorry that I had no power or water at my house as a result of the hurricane.

I am sorry that I had to extend my stay out of state because of the hurricane.

I am sorry that CenterPoint Engery did not bend more quickly to your desires and restore power to my home so that I could return to it sooner.

I am sorry that upon returning to my home on Monday, September 22, 2008, I discovered a roughly 50 ft. x 6 ft. swath of human excrement, used condoms, and all the other niceties that come with a raw sewage leak in one's backyard which drains into one of the main bayous in Houston.

I am sorry that I had to threaten City of Houston officials with lawsuits and local news exposure in order to get them to even agree to meet with me about cleaning up the problem.

I am sorry that these city officials chose a date that interfered with our deposition and gave me no other options.
