SECTION "L"

JAMES G. PERDIGAO

MOTION AND ORDER CONTINUING SENTENCE

Now comes David L. Arena, Senior United States Probation Officer, and moves the Court for an order continuing the sentence in the above-matter which is currently set for February 11, 2009, because additional time is needed to prepare a pre-sentence report. Neither defense counselor, Charles Griffin, nor Assistant United States Attorney, James Mann, have any objections to a brief continuance. Therefore the probation officer moves the Court to continue the sentencing date in this case for approximately 30 days.
