DISMISSAL ORDER

Pursuant to the court's previous orders, the claims of all plaintiffs in the referenced "mass joinder" cases that have been settled should already have been dismissed, and all

others that have not been settled should already have been severed and refiled via amended complaints. There should no longer be any reason why the referenced "mass joinder" cases should remain pending. Accordingly,

IT IS ORDERED that all of the above-referenced "mass joinder" cases are hereby **DISMISSED**, as follows: (1) without prejudice as to all claims that have been reasserted via severed amended complaint, pursuant to the court's severance order; (2) as to all settled claims, without prejudice to the right, upon good cause shown within ninety (90) days, to seek summary judgment enforcing the compromise or to reopen the action if settlement is not consummated, the court having approved the settlements, incorporated them into its dismissal order, and retained jurisdiction for enforcement purposes; and (3) with prejudice for failure to prosecute as to all claims that have not been settled, previously dismissed or reasserted via severed amended complaint.

New Orleans, Louisiana, this 4th day of February, 2009.
