**ORDER**

The defendant, State Farm Fire & Casualty Insurance Company (“State Farm”), produced the activity logs for five claim files. Portions of the logs were redacted. The plaintiffs, Gerald and Susan Weatherly, requested that the activity logs be reviewed *in camera* to determine whether the redacted entries were protected from disclosure by the attorney-client privilege or the work-product doctrine. Rec. doc. 179 (Attachment). State Farm produced the un-redacted activity logs and the privilege logs for *in camera* inspection. The District Judge referred the matter to the undersigned.
