

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF MISSISSIPPI  
SOUTHERN DIVISION**

**REGINALD EDWIN BOSSIER**

**PLAINTIFF**

**VERSUS**

**CIVIL ACTION NO. 1:08cv408-LTS-RHW**

**STATE FARM FIRE AND  
CASUALTY COMPANY**

**DEFENDANT**

**ORDER REGARDING DOCUMENTS SUBMITTED AUGUST 3, 2009**  
**REVIEWED IN CAMERA**

On August 3, 2009, Defendant submitted additional documents for *in camera* review pursuant to [59] the Court’s order of June 5, 2009. The documents are sequentially numbered 0456-HO through 0478- HO and 0483-HO through 0511-HO. The supplemental privilege log which accompanied the documents contains a single entry for documents identified as 0456-HO – 0511-HO, describing the documents as “emails between outside counsel and State Farm” between 3/10/08 and 4/25/08. All the documents are claimed privileged as “attorney-client and work product.” The Court has examined these additional documents and finds that all are duplicates of documents previously reviewed and ruled upon in [74] the Court’s order entered July 31, 2009, with the following exceptions, which are individually addressed:

0476-HO March 28, 2008 emails between Terry Blalock and attorney Goodloe Lewis – the Court finds these two emails are privileged and need not be produced. The remainder of page 0476-HO duplicates matters previously addressed.

0477-HO March 31, 2008 correspondence from Goodloe Lewis to Plaintiff’s counsel – this document is not privileged, and shall be produced.

0478-HO the Court finds neither of these emails privileged, and orders them produced.

0483-HO - 0485-HO affidavit of Joseph Ziz, Sr., and email from Plaintiff's counsel are not privileged and shall be produced.

0486-HO the emails between Blalock and attorney Lewis are held privileged; the email from Plaintiff's counsel to Lewis is not privileged and shall be produced.

0498-HO - 0500-HO the Court finds nothing privileged about these documents and orders them produced.

0501-HO - 0502-HO the first email is privileged, the remainder are duplicates of matters already ruled upon.

0503-HO - 0505-HO are duplicates of 0498-HO - 00500-HO.

0506-HO -0508-HO the Court finds nothing privileged regarding the 4/14/2008 emails from Danye Smith to Martha Montgomery and from Daphne Flowers to Danye Smith and these two emails from 0506-HO shall be produced. The remainder of emails on these pages are duplicates of matters already addressed.

0509-HO - 0510-HO the Court finds nothing privileged about these emails and orders them produced.

0511-HO the Court finds only the 4/25/2008 email from Blalock to Lewis privileged. The other emails on this page shall be produced. It is therefore,

**ORDERED** that by August 14, 2009, State Farm shall produce to Plaintiff all documents which the Court has herein ordered to be produced.

SO ORDERED, this the 10<sup>th</sup> day of August, 2009.
