Libby,

Attached are Dr. Ginzburg's report, CV, and invoice for services. Though you told me you don't want these documents, I feel it would be best for you to have them anyway. You certainly don't have to read the report if you don't want to, but that is your prerogative. I have also attached a letter regarding an attachment to the report.

Please feel free to contact me if you have any questions.

Sincerely,

Kristopher W. Carter
