AFFIDAVIT

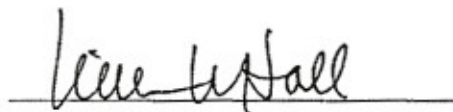

BEFORE ME, Notary, personally came and appeared David C. Loeb, a person of the full age of majority and domiciled in the Parish of Jefferson, who, after being duly sworn, did depose and say;

1. I am a minority owner of Trout Point Lodge.
2. For many years I have donated a week's stay at Trout Point Lodge to the Jefferson Community School, a local charter school for expelled middle school students.
3. The fund raiser typically occurs in February or March of each year.
4. After WVUE's broadcasts in January of 2010 which reported that then (now former) Parish President Aaron Broussard had an ownership interest in Trout Point Lodge, the Board of Directors of the Jefferson Community School refused the donation because the school did not want to be associated with Mr. Broussard.
5. I explained to the Board that Mr. Broussard did not own any interest in Trout Point Lodge, and that he owned an interest in another property that was nearby.
6. The Board nevertheless declined the donation because, as a result of the WVUE broadcasts, the public perception was that Mr. Broussard was an owner of Trout Point Lodge.

Sworn to and subscribed before me, Notary, this 21 day of September, 2011.
