**Subject:** RE: Saints Parade Funding

Latest update:

Courtney Bagneris sent an email to me stating that Emeline Desse explained that Mayor Nagin would like the Parish President and Council to be seated at Gallier Hall in a viewing box next to his during the parade and to join him for the toasting of the Saints. Jefferson Parish has been allotted for Gallier Hall, 85 invitations with credentials for guests(which includes the president and 7 council members).

There will also be seating for other JP guests at Lafayette Square, directly across from Gallier Hall. 200-450 seats have been reserved. Orleans Parish needs a number from Jefferson Parish as to how many are requested and Orleans Parish will provide the invitations to Jefferson Parish.

Additionally, it was confirmed that JPSO has been in direct contact with NOPD and JPSO will have their Mobile Command unit and 10 motorcycles in the parade.

I am still waiting on the Band list from New Orleans and I should receive that today.

I will keep sending updates as I receive them.
