Rob, as per our conversation, Mr. Broussard is available to do the morning show TOMORROW, January 6, 2010 with Sally Ann and Eric. You asked that he arrive at the studio for 6:45 a.m. and will be interviewed at 7 a.m. Please confirm this information. Additionally, I asked that you email me a list of questions they will be asking Mr. Broussard. Please forward those questions to me as soon as possible. Thanks.
