Please prepare a response, a Certification and scan to me.
If this response will exceed 20 pages or include over-sized documents please advise **PRIOR** to scanning or collecting so I can confirm payment from the Requester.
If you do not have any Public Records which are responsive please execute a Certification stating "NO RECORDS FOUND".

To insure proper tracking please type in the PRR # on the subject line of every email you send and also in the space on the Certification where it describes the information sought.

Thank you
