Dear Sheriff Garcia,

The Metropolitan Bureau of Investigation (MBI) is currently involved in an on-going Extortion investigation related to a Sexual Battery. The Florida Statutes prohibit the release of any information related to the identity of the victim of a Sexual Battery.

While the MBI cannot release the identity of the victim in the MBI's on-going Extortion and Sexual Battery investigation, the MBI's records do not reflect that John Houghtaling has ever been a victim, or a suspect, in any investigation conducted by the Metropolitan Bureau of Investigation.

If I can be of any further assistance, do not hesitate to ask.

Sincerely,

Director Larry Zwieg
Metropolitan Bureau of Investigation
