Dear Friend,

With the upcoming runoff election for Mayor of Biloxi now between just two candidates, I want to make sure you know there's a clear difference between the two candidates—Windy Swetman and FoFo Gilich.

**Windy Swetman is a solid, conservative Republican** who has helped build the Republican Party, serving as a Republican Supervisor, and working to grow a successful Biloxi business employing more than 400 people.

With his longtime family roots in Biloxi, his business based there and his passion to make sure his two sons grow up in a city of opportunities for the future, Windy is ready to lead Biloxi with energy and enthusiasm. Windy Swetman has always stood strong helping Republicans get elected to other offices, and it's time for us to stand with him now to help him win the May 12 runoff election.

His opponent, **FoFo Gilich, has a very different political philosophy.** When Barack Obama was running for President, FoFo Gilich was the Harrison County Democratic Party Chairman. FoFo was quoted by WLOX-TV saying: *"When you look at where we are as a country, we feel that the democrats have the right message."*

FoFo Gilich has even been pictured with former President Bill Clinton at a "Hillary for President" rally. It's not some rumor or innuendo—it's a fact—and I'm including that photo below for your reference.

As Chairman of the Mississippi Republican Party, I've met a lot of candidates and seen a lot of elections take place over the years—and that's why I feel so compelled to let you know the facts about the differences in this runoff election.

In any election, a candidate's beliefs and principles matter—and in this runoff election for Mayor of Biloxi, the difference is very clear. I believe Windy Swetman is the Republican choice for Mayor.

I've been impressed that Windy Swetman's campaign is about the future and how he wants to help Biloxi grow with real ideas and the right priorities. Windy's been focused on providing real solutions for Biloxi's future and he's run a strong campaign—and Republicans need to join together now to help Windy win.

**Thank you** for taking the time to read my letter, and I hope you will help make sure your family, friends and co-workers know about the real difference in this runoff election for Mayor of Biloxi—and please encourage them to vote for Windy Swetman in the runoff on May 12.

Sincerely,
